

Technical drawing of a heating network layout. The main line runs diagonally from the top left to the bottom right. It features several branches and components labeled with dimensions and codes.

Key components and labels include:

- ВТ-3**: Located at the top left end of the main line.
- План участка теплотрассы ЧП-9, ЧП-10 (лотки) см. л. 51**: Label for the main line section.
- Н5**: A valve or pump symbol on the main line.
- 6000x4-2x4000**: Dimension for a section of the main line.
- см. черт. марки ТС**: Reference to a technical specification for the main line.
- 6000x2-2x2000**: Dimension for a branch section.
- 1650**: Dimension for a branch section.
- 16500**: Dimension for a branch section.
- Каналы сущ. 120x60, 90x60**: Label for existing channels.
- ТК-77604рек см. л. 31**: Label for a technical specification.
- ДК-10**: Located at the bottom right end of the main line.

The drawing includes numerous dimension lines indicating lengths and widths of various sections and components.
